WHITE CHRISTIAN AMERICA WANTS HEROES--NOT HOT AIR!

The date is June 8, 1964. The place is the National Theatre in Washington, D. C.--one block from the White House. Thousands of Jewish and Negro agitators are gathered in the theatre to hear their leaders gloat about their experiences in invading the sovereign state of Mississippi.

Suddenly, from out of the darkness in the auditorium, young Nazi Lieutenant John Patler (Editor of the Stormtrooper) vaults onto the stage and arrogantly takes over the meeting from the nigger and Jew leaders. For 10 or 15 minutes he berates, denounces and dominates them. Police drag him off to jail.

Almost 10 minutes of this daring act of heroism by Nazi Lt. Patler is broadcast all over the United States on TV.

A few days later, German Chancellor Erhardt is emerging from the State Department Treason Headquarters in Washington, when American Nazi Stormtrooper Jerry Cochran charges at him with a big sign, "Free Bruno Lüdtke" (referring to our German, Nazi comrade, Bruno Lüdtke, who has been thrown into prison and the insane asylum for his beliefs). Needless to say, Erhardt and the Secret Service were utterly horrified when Cochran got within three or four feet of Erhardt before being tackled and beaten to the ground. Mr. Erhardt will not forget the matter of Bruno Lüdtke.

No sooner is Jerry Cochran out of jail on this charge than, on the last day of Senate debate of the Communistic "Civil Rights Bill", young Jerry leaps to his feet in the Senate gallery, waves a small Nazi flag, and shouts "The politicians have betrayed America's White majority! Only Rockwell can save us now!"

Cochran is dragged off to the insane asylum and locked up.

Three days later, the NAACP descended on the Nation's Capital for its National Convention.

They were greeted by a block-long picket line of sharply-uniformed Nazi Stormtroopers flying the American stars and stripes and our Swastika banner of the White Race. The signs read "Down with the NAACP", "Integration Stinks" and "WHO NEEDS NIGGERS!" (See cover)

At the very height of the NAACP banquet, Nazi Captain Robert Lloyd, disguised with red hair, glasses and nigger-type clothes, appeared from

Hate-Whites Killer Admits Murdering Social Worker

Two Harlem teen-agers were arrested on homicide charges yesterday in the fatal stabbing of a woman storekeeper on Wednesday—and with the arrests police obtained concrete evidence that a ruthless hoodlum gang deliberately seeks to maim and kill whites in Harlem.

One of the arrested youths admitted he stabbed to death Eileen A. Johnston, 28, a white social worker, on a Harlem street early April 11 as she left a night club with a Negro fellow worker, police said.

Victim Identified

They identified him as Daniel Hamm, 18, of 26 W. 131st St., a laborer, and linked the second prisoner, Robert Rice, 17, of 18 W. 127th St., jobless, to the Johnston murder.

Police said the two were among the gang who stabbed to death Mrs. M

Further, the cops said they were suspects in the murders of two other whites in Harlem recently, David L. Watts, 29, a dedicated Bible reader who was the only white member of a Negro church congregation, and Jules Bulgach, 71, who peddled fruit from a horse and wagon.

A high official said Hamm told them he and Rice were roving the streets April 11 looking for "action" when they saw Miss Johns-

Stabbing Described

The official said Rice handed Hamm a knife. The official quoted Hamm: "I crept up behind them and hit her in the back. I pulled the blade out and ran away."

Above: One of the countless news articles appearing with this story that have now become an every day event in our nation. Nigger crime increases each day. When White people protest and organize to oppose and stop such criminality, they are smeared by controlled newspapers as prejudiced bigots!!

TERROR GANG RAID 2 SUBW

This is the age of RACE! Only the blind and ignorant will deny RACE, and RACE alone is the motivating factor behind the black criminal assault on White society. When more than one hundred screaming black youths charged through northside Chicago attacking and maiming Whites, officials attributed their crimes to the "ending of school" and "the hot weather". "It was not a racial incident", they claimed. ALL the victims attacked by this black gang of hoodlums were White! Ten White people were sent to the hospital ... and the officials, who need the nigger vote to stay in office, tell us it was not a racial incident. Even the papers lie. The Negro is portrayed as a poor, deprived, persecuted minority and their cause is glorified by the newspapers, while they smear the White people as bigots. No one denies that the Negro has had a hard time of it in America. And he will always have a hard time. White America does not want to mix with him. If the White majority wanted to mix, they would not need a law to FORCE us to mix.

The Negro can never become a first-class citizen in America. America is a White man's land. Only in Africa, the richest continent on earth, will he become his own master. Separation is the only sane, morally right solution to the race problem. Without separation, race hatred will spread to the point where violence and bloodshed will become an everyday event.

Continued on Page 28

▸ Four young Negroes, one swinging a meat cleaver, ranged through the cars, terrorizing passengers on a Brooklyn train. Finally, one yanked open the door of Motorman George Dauenheimer's cab, held the cleaver at his neck and snarled, "Are you black or white?" Dauenheimer said, "I'm white." The Negro shouted, "I'm just going to cut your head off." But when Dauenheimer stopped the train, the hoodlums jumped off. When they tried to break into a change booth, they were arrested and jailed by subway police.

As the subway savagery mounted, New Yorkers—millions of them totally dependent on subways for transportation—began to feel desperate. Adding to their fear was a chilling slogan—"White Man, Your Time Is Up"—scrawled on subway station walls.

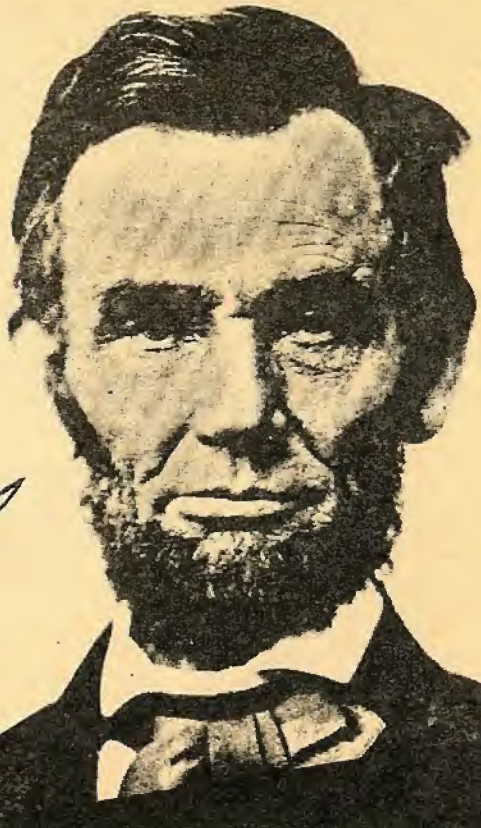
NOW REVEALED!!

THE LONG SUPPRESSED

RACIAL VIEWS OF

ABRAHAM LINCOLN



Negro equality! Fudge!! How long, in the government of a God, great enough to make and maintain this Universe, shall there continue knaves to vend, and fools to gulp, so low a piece of demagougeism as this.

—From Fragments: Notes for Speeches, September 1859 (Vol. III, p. 399).

PROOF: LINCOLN Was A RACIST!

HERE ARE MORE OF LINCOLN'S VIEWS ON RACE...

Judge Douglas has said to you that he has not been able to get from me an answer to the question whether I am in favor of negro citizenship. So far as I know, the Judge never asked me the question before. [Applause.] He shall have no occasion to ever ask it again, for I tell him very frankly that I am not in favor of negro citizenship. [Renewed applause.] . . . Now my opinion is that the different States have the power to make a negro a citizen under the Constitution of the United States if they choose . . . If the State of Illinois had that power I should be opposed to the exercise of it. [Cries of "good," "good," and applause.] That is all I have to say about it.

—Speech at Springfield, Illinois on June 26, 1857 (Vol. II, pp. 405-09).

See our present condition — the country engaged in war! — our white men cutting one another's throats . . .and then consider what we know to be the truth.

But for your race among us there could not be war, although many men engaged on either side do not care for you one way or the other . . . It is better for us both, therefore, to be separated . . .

You and we are different races. We have between us a broader difference than exists between almost any other two races. Whether it is right or wrong I need not discuss, but this physical difference is a great disadvantage to us both, as I think your race suffer very greatly, many of them by living among us, while ours suffer from your presence. In a word we suffer on each side. If this is admitted, it affords a reason at least why we should be separated.

—Address on Colonization to a Deputation of Negroes in Washington, D. C. on August 14, 1862 (Vol. V, p. 371).

I will say then that I am not, nor ever have been in favor of bringing about in any way the social and political equality of the white and black races, [applause]—that I am not nor ever have been in favor of making voters or jurors of negroes, nor of qualifying them to hold office, nor to intermarry with white people; and I will say in addition to this that there is a physical difference between the white and black races which I believe will for ever forbid the two races living together on terms of social and political equality. And inasmuch as they cannot so live, while they do remain together there must be the position of superior and inferior, and I as much as any other man am in favor of having the superior position assigned to the white race. . .

—Fourth Debate with Stephen A. Douglas at Charleston, Illinois on September 18, 1858 (Vol. III, pp. 145-46).

In the course of his reply, Senator Douglas remarked, in substance, that he had always considered this government was made for the white people and not for the negroes. Why, in point of mere fact, I think so, too.

—Speech at Peoria, Illinois on October 16, 1854, during first Lincoln-Douglas Debates (Vol. II, p. 281).

How Authentic Are These Quotations?

Every word attributed to Abraham Lincoln on these pages may be found in what is probably the most complete source of original Lincoln documents, **The Collected Works of Abraham Lincoln,** edited by Roy P. Basler and published in 1953 by the Rutgers University Press in eight volumes plus an Index.

The American Nazi Party does not "hate" the Negro, anymore than President Lincoln was "hating" them when he said they were INFERIOR to the White Race and when he said they should be SEPARATED from us. We believe that the record of performance of the White Race compared to the performance of the Negro race is scientific PROOF that the Negro is a less advanced branch of the evolution of the species, homo sapiens. While the White Race was rising, UNDER ITS OWN POWER to conquer and civilize most of the earth, the Negro was squatting in savage squalor for thousands of years on the richest continent on this planet, WITH NOBODY "EXPLOITING" HIM, nobody holding him down. Yet he never thought of making a wheel, he never explored even his own continent and his religion and his government are still superstitious and violent. Even today, wherever the White Man has not penetrated, he is STILL eating his fellows and living exactly as did his ancestors, over ten thousand years ago. You can't blame

this on climate or exploitation. The White Man has flourished in steaming jungles and on barren, frozen Iceland. If black men had it in them--they would have found a way to migrate or overcome the environment.

Lincoln Asked Congress For Funds To Deport And Colonize U. S. Negroes!

On the twenty-second day of September last a proclamation was issued by the Executive, a copy of which is herewith submitted.

In accordance with the purpose expressed in the second paragraph of that paper, I now respectfully call your attention to what may be called "compensated emancipation."

A nation may be said to consist of its territory, its people, and its laws. The territory is the only part which is of certain durability. "One generation passeth away, and another generation cometh, but the earth abideth forever." It is of the first importance to duly consider, and estimate, this ever-enduring part. That portion of the earth's surface which is owned and inhabited by the people of the United States, is well adapted to be the home of one national family; and it is not well adapted for two, or more. Its vast extent, and its variety of climate and productions, are of advantage, in this age for one people, whatever they might have been in former ages. Steam, telegraphs, and intelligence, have brought these, to be an advantageous combination, for one united people. . . .

In this view, I recommend the adoption of the following resolution and articles amendatory to the Constitution of the United States:

ARTICLE.—Congress may appropriate money, and otherwise provide, for colonizing free colored persons, with their own consent, at any place or places without the United States. . . .

The third article relates to the future of the freed people. It does not oblige, but merely authorizes, Congress to aid in colonizing such as may consent. This ought not to be regarded as objectionable, on the one hand, or on the other, in so much as it comes to nothing, unless by the mutual consent of the people to be deported, and the American voters, through their representatives in Congress.

I cannot make it better known than it already is, that I strongly favor colonization. . . With deportation, even to a limited extent, enhanced wages to white labor is mathematically certain. Labor is like any other commodity in the market—increase the demand for it, and you increase the price of it. Reduce the supply of black labor, by colonizing the black laborer out of the country, and by precisely so much, you increase the demand for, and wages of, white labor.

—Executive Proclamation, December 1, 1862 (Vol. V, pp. 527, 529-30, 534-351).

DON'T BREAK THE LAW

WE NATIONAL SOCIALISTS MUST DEFEND ORDER!

So long as we are permitted to practice the means necessary to conduct our holy fight for power in a legal and above ground manner (free speech, elections, etc.) we shall obey ALL reasonable laws and law enforcement officers.

As Adolf Hitler has brilliantly recorded in Mein Kampf: "We must not make a revolution against the state ... we must become the state". The power is now in other hands. All our cherished institutions, our government, our courts, are overrun with race-mixers and traitors.

The moment we violate the law, we play into the hands of these race-mixing-swine. What good does a fighting White idealist serve in jail? In jail for long terms, he is useless, not only to himself, but to the Cause and to his people. His value and his talent, so necessary and so badly needed in our holy fight is confined behind prison bars. All the energy, courage and force of will necessary to commit an illegal act can serve a thousand-time better purpose by being channeled into useful, legal directions. His freedom is far more valuable to our cause than his rotting in a filthy jailhouse.

For six years the American Nazi movement, under the unparalleled leadership of Lincoln Rockwell, has not been stopped! From absolutely the barest beginnings, we have risen to become the most forceful, threatening movement to the Jew traitors and race-mixers since Adolf Hitler. Attempt upon attempt has been made to stop Commander Rockwell. All have failed, simply because we have OBEYED THE LAW and because we have won the respect of law enforcement agencies.

We will become the government of this great nation by legal means! We will be elected to power by the people whom we are winning every day. When WE hold the means of power, we will root out the filthy swine who have been destroying our beautiful nation and our people. No dirty race-mixing Marxist pig will be safe. We will crush them and wipe them out forever. Nothing can stop us.

Here are a few rules to follow:

(1) Always, and above all OBEY THE LAW. Even if you totally disagree with a law, obey it first and then fight it afterwards--IN THE COURTS!

THE BLACK MUSLIMS TURN LEFT

Elijah Muhammad

In 1961, Commander Rockwell stood in full Nazi uniform before 9,000 Black Muslims in Chicago.

"You know that we call you 'niggers' ", he said. "But wouldn't you rather be confronted by HONEST White Men who TELL you to your face what the others all say behind your back? Can you really gain anything dealing with a bunch of cowardly White sneaks--the yellow liberals, who tell you they love you but privately exclude you every way they know how?"

"I am not afraid to stand here and tell you I hate race-mixing, and will fight it to the death!", roared the Commander. "But at the same time, I will do everything in my power to help the Honorable Elijah Muhammad carry out his inspired plan for land of your OWN in Africa! Elijah Muhammad is RIGHT! Separation or DEATH!"

9,000 black men rose and applauded.

Since the Commander's amazing speech in Chicago, Martin Luther Coon and his Red gang have stolen the nigger spotlight. Elijah Muhammad, a sincere man who truly tried to repatriate his people, and did clean up thousands of them, has been betrayed by his own SONS--just like so many American sons have betrayed great American fathers, such as Henry Ford.

Muhammad's sons fell for the Marxist line, drove out Malcolm X, and are turning the Muslims into another arm of the Red octopus. Muhammad himself is sick and dying, and helpless to stop the wrecking of the Back-to-Africa movement he started so sincerely and successfully.

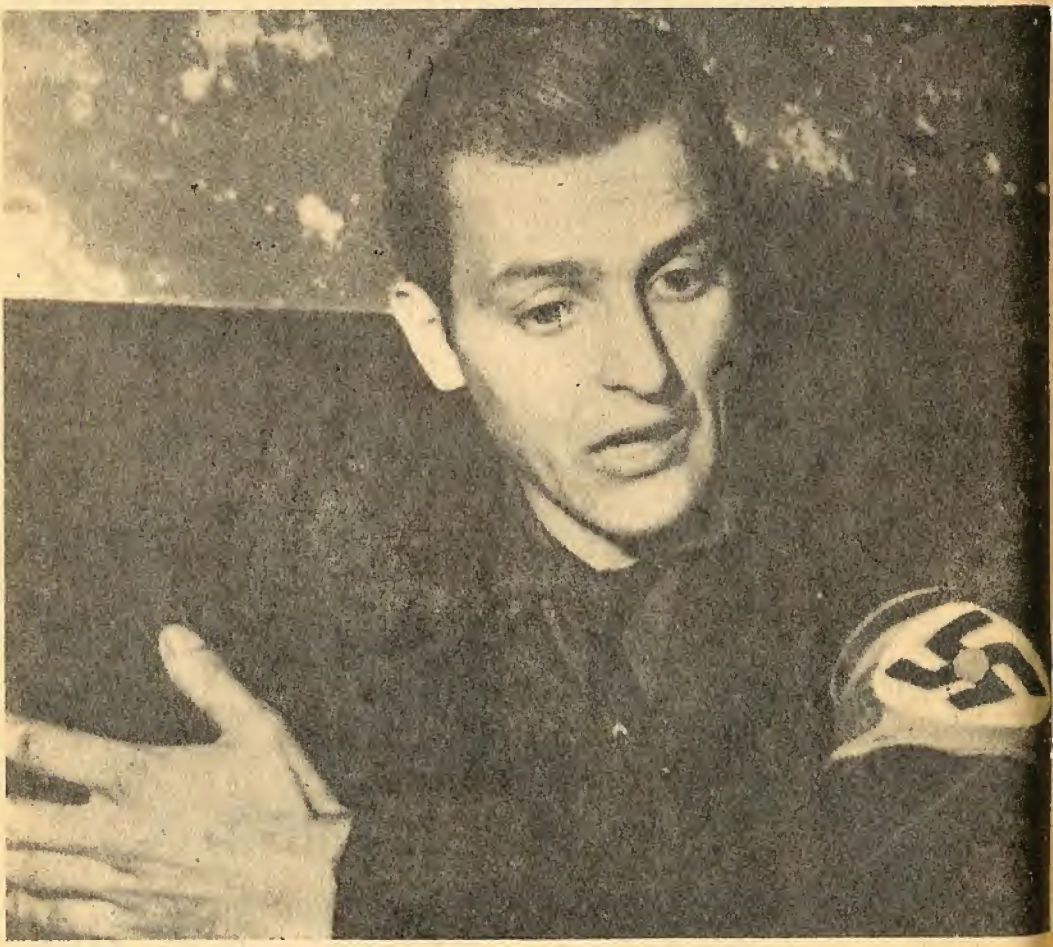
INTERNATIONAL NAZI PROGRESS

ADOLF EICHMANN'S SON JOINS WUNS!



Like Father, Like Son

BUENOS AIRES (AP). Another Eichmann has turned up in olive shirt, boots and swastika armband and proud of it. Horst Eichmann, 24-year-old son of Nazi Adolf Eichmann, called a news conference in Buenos Aires—

"My father," said Horst, "fought for all those who are suffering under the international Jewish-Zionist threat." Eichmann said he is active in a world-wide Nazi movement and a member of the Argentine Nazi Party—

Adolf Hitler

National Socialists throughout the world celebrated the 75th Birthday of Adolf Hitler on 20 April in special ceremonies and private gatherings, and pledged themselves to renewed struggle for the triumph of the mighty Movement he founded.

England

Colin Jordan, Leader of the British Nazis, has announced record sales of the NSM publication, The National Socialist. This Nazi newspaper is sold openly on English street corners, and is attracting huge interest --as well as the usual hysterical shrieks of the Chosen Ones.

Rudolf Hess

On 10 May 1941, Rudolf Hess flew to Scotland, in an ill-fated attempt to end the bloody war between the White men of Germany and England.

Twenty-three years after this heroic deed--and 19 years after the end of the war--Hess continues to languish in Spandau Prison for his peace efforts.

National Socialists around the world marked the occasion with new demands for Hess' release. Embassies, consulates, city halls and tourist bureaus were the scenes of numerous demonstrations, which included picketing and protest rallies. In Philadelphia one Nazi succeeded in getting on an open-end radio program (WCAU-AM/FM), on which he discussed Hess' plight for over 15 minutes.

Australia

The state of New South Wales is in an uproar over the current flurry of Nazi activity there. Sydney Jews recently came out of a Warsaw Ghetto meeting to find their cars plastered with Swastikas and stickers reading, "Hitler Was Right!" Meanwhile, the National Socialist Party of Australia (NSPA) continues to grow by leaps and bounds, particularly in New South Wales, Victoria and Queensland.

FREE SPEECH FOR BRUNO LÜDTKE

Bruno Lüdtke of Frankfurt, Germany was arrested and thrown into prison almost a year ago by West German secret police for the "crime" of being a National Socialist.

For months he was held incommunicado without charges or trial. He was allowed no contact with his courageous wife and four charming little daughters. When the Bonn government failed to break the faith and spirit of this one completely normal and highly intelligent anti-Communist, he was sent to an asylum where further attempts were made to degrade and break him--all under the pretext of "observation".

Following his temporary release recently, Lüdtke's freedom of movement has been almost totally restricted, and he has had great difficulty keeping a job, due to the con-

stant harassment of Bonn officials. He now faces up to 20 years in a Democratic West German jail for daring to make statements like the following:

"We young National Socialist Germans of the Hitler Youth have kept our holy faith for more than 18 years of darkness. Should we betray our faith now, when the great idea is spreading all over the world on a quite unprecedented scale and its victory is only a matter of 8 or 9 years now? What will the Bonn traitors ... do when in 1973 you will be in power? They may be sure, there are hundreds of thousands of young Germans who only await the National Socialist victory, which will come as sure as the day always follows the night."

Stormtroops picket White House and Lufthansa Airlines.

Chilean Nazis Ordered To Disband

HOLD PRESS CONFERENCE: Members of Chile's "National Socialist Party" say, "Heil Hitler," at a press meeting in Santiago. The "Fuehrer," Franz Pfeiffer, second from left, said the group is the only one in Chile capable of stopping communism.

Alarmed by the staggering success of the Chilean Nazi party, the Partido Nacional-Socilaista, the Leftist government has outlawed it--along with scores of other right-wing organizations. The chances of Chile going Communist in the September elections are now very strong. Typically, all the Conservatives are running and leaving the country. Only the Nazis fight on. Franz Pfeiffer, who has led PNS operations, has just issued a new bulletin, ¡Habla Pfeiffer!, calling on Chileans to stand up and fight the Reds before it is too late.

For Sale!

Every three months, the National Socialist, official newspaper of Colin Jordan's National Socialist Movement of Great Britain is available from ANP Hq. at 25 cents per copy while the supply lasts.

NATIONAL SOCIALIST MARTYR

This fearless 19-year-old youth fought for the liberation of his country from the forces of international Jewish Communism and Capitalism, and for the establishment of a National Socialist New Order. He was one of the pioneers of the Argentine National Socialist Front.

On 6 March 1963, he was murdered by paid assassins of international Jewry near Villa Gesell in Buenos Aires province.

We join Argentine National Socialists solemnly commemorating the first anniversary of his death. He shall not be forgotten. The Cause for which he fought shall not fail.

COMBAT REPORTS

U.S. NAZIS IN THE NEWS

Nazi Concentration Cramp

Students press tight around the doors of Meany Hall to hear last Friday's talk by Nazi George Lincoln Rockwell. Nearly 2,000 students were turned away at the door.

THOUSANDS FLOCK TO HEAR CDR ROCKWELL

Wherever Commander Rockwell is scheduled to speak, thousands and thousands of Americans turn out to hear him. Over the past six months, the Commander has spoken at colleges from Bellingham, Washington, to Tallahassee, Florida, and from New Hampshire to California. Always, the halls are literally packed. In Seattle, at the University of Washington, 2,000 students, unable to squeeze in the auditorium, actually rioted outside trying to get in. They would not subside until the dean was forced to request the Commander to repeat his speech--something unprecedented in college speaking experience.

At the University of Western Washington in Bellingham, Washington, almost the entire student body crammed and jammed into the hall, while the major part of the faculty, led by repulsive Jews, picketed outside.

The Commander drove home the facts about the Jewishness of Communism and race-mixing as usual, with startling results.

The moderator was an ex-"Quiz Kid" and a darling of the Jews. He was brutally discourteous to the Commander in the introduction and in asking the questions written by the students. He continually referred to the Commander as a "vicious bigot"

Students Pour Inside; Teachers Picket Outside!

and "depraved hate-monster", etc. Finally, at the very end of the program, he ordered the students to remain absolutely silent in "a dirge for the hate which has been preached here" while the Commander left the stage.

The Commander turned to the students and made one statement which completely wrecked the arrogant and insulting "Quiz Kid".

"Since I have been insulted by this gentleman and called a liar so many times", the Commander said quietly, "I wonder if the Professor is man enough to stand up to me and DEBATE me!"

The audience of suppressed kids--liberals and conservatives alike, erupted into such an ovation as the Commander has NEVER gotten at any college in America.

Needless to say, the professor welched out.

Less than 20 minutes after Chancellor Erhardt arrived in Washington, D. C., from Germany he was confronted by the U. S. Nazi Party. Stormtrooper Cochran, 18, rushed at the Chancellor as he was entering the State Department and shoved a sign into his face which read, "Free Speech for Bruno Lüdtke". Cochran also began shouting the slogan. Police and Secret Service men jumped on Cochran and hauled him off to jail. The event was given minimum coverage since it embarrassed security people and pointed out the lack of free speech in West Germany. (See Stormtrooper International News for more on Bruno Lüdtke.)

Civil Rights Audience Insulted

Rushed To Stage Screaming, 'You Bunch of Phonies!'

By CLIFF SESSIONS
United Press International

WASHINGTON—A young white man interrupted a civil rights meeting Monday with a 10-minute anti-Negro, anti-Semitic harangue, touching off angry shouts from the audience.

The man, who identified himself as John Patler, a member of the American Nazi Party, was finally dragged off the stage by a policeman.

HE SHOWED up in a downtown theater where the Council of Federated Organizations, a coalition of civil rights groups, was holding a meeting to discuss alleged mistreatment of Negroes in Mississippi.

Dr. Harold Taylor, former president of Sarah Lawrence College; novelist Joseph Heller, author Paul Goodman and Dr. Gresham Sykes of the American Sociological Association were among members of a "select jury panel" which was meeting to hear reports from about 25 alleged victims of Mississippi racial violence during the day-long meeting.

THE PANEL was asked to urge President Johnson to furnish federal protection for civil rights workers during a summer campaign in Mississippi.

Patler arose from his fourth row seat moments

after Lawrence Guyot, a civil rights worker from Hattiesburg, Miss., began to tell of some of his Mississippi experiences.

"YOU BUNCH of phonies," Patler screamed as he rushed to center stage before the crowd of about 150. Guyot attempted to continue his discussion but finally gave up as Patler talked.

Taylor rose to quiet Patler but was unsuccessful. Taylor attempted to introduce himself but Patler screamed, "I don't care who you are," and continued his speech making.

HE CALLED his audience "a bunch of filthy swine" and vowed to "stand here all day" opposing them.

He laughed at the angry shouts which his speech produced. The audience began singing "We Shall Overcome," a civil rights song, and Patler joined in, substituting his own words.

THEN HE swung into a song of his own about "Niggers" and Jews.

Finally a policeman was summoned and ordered Patler off the stage, dragging him off by an arm when he sat down and refused to leave under his own power.

FOUR companions of Patler still seated in the audience were then invited to leave. They accepted the invitation and the meeting continued.

U.S. Nazi Arrested for Raiding NAACP

WASHINGTON (AP)—A self-styled American Nazi was arrested last night after trying to disrupt a youth banquet at the Convention of the National Association for the Advancement of Colored People. A collaborator who tossed a handful of mice into the room got away.

Former baseball star Jackie Robinson, an honor guest, said delegates hustled the invader out when he waved a swastika armband and shouted to the banqueters: "Go back to Africa, Niggers!"

Robinson said a number of delegates started to rush the intruder but trouble was averted when someone called out: "Just leave him alone!"

When propelled out of the door the intruder started to run through the lobby scattering "tickets to Africa." He was intercepted by police and He gave his name as Robert A. Lloyd III, 20.

He gave his address as 928 N. Randolph Street, Arlington, Va., which is the headquarters of George Lincoln Rockwell's American Nazi party.

Ten khaki-clad, swastika-wearing pickets of the same group had arrived to march in front of the hotel an hour earlier.

Two black mice and two white mice were tossed into the banquet hall from behind curtains at the other end of the room as Lloyd was ejected. Robinson and others kicked the rodents away from the tables until hotel employes rounded them up.

Afterward, Robinson commented: "I can picture what would have happened to a Negro youngster who did this."

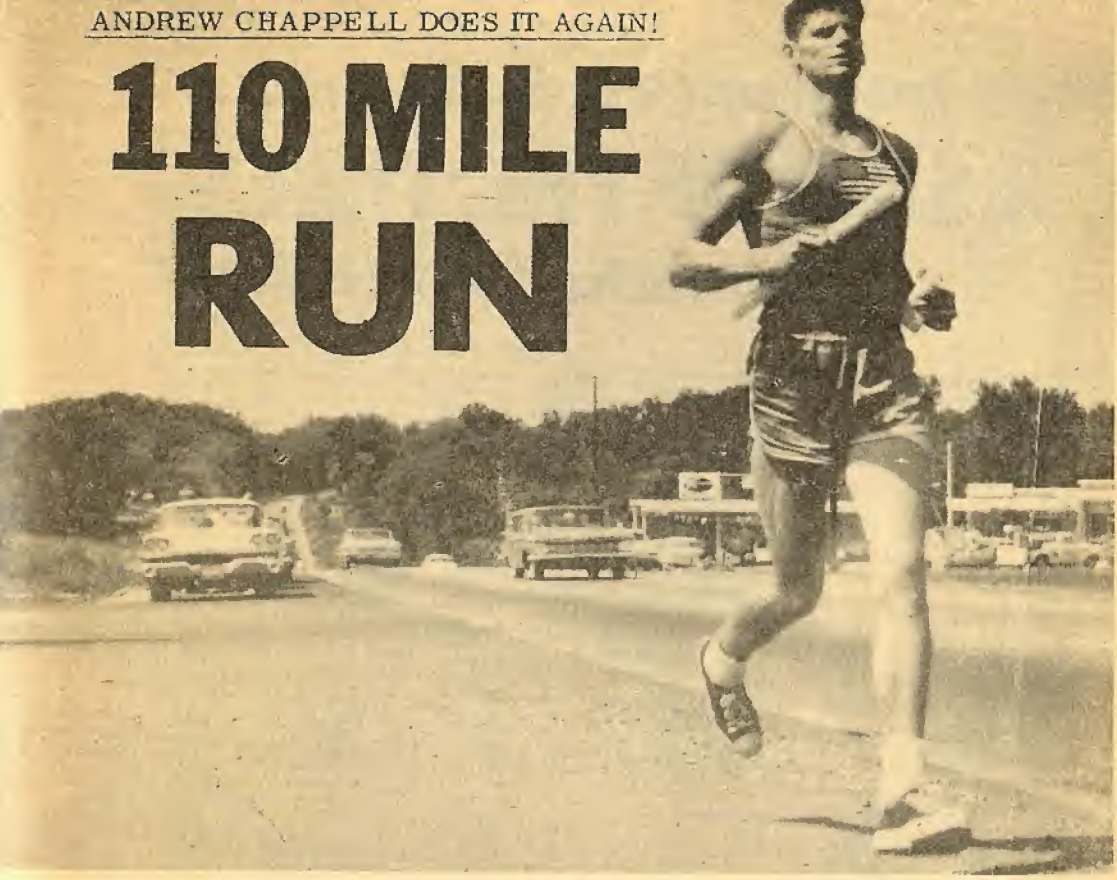
ANDREW CHAPPELL DOES IT AGAIN!

110 MILE RUN



TO REPEAL THE CIVIL RIGHTS BILL

Performing a super-human feat of physical stamina, American Nazi Andrew Chappell RAN the 110 miles from Richmond, Virginia, capital of the Confederacy, to the Washington Monument in the Nation's Capital.

Chappell was carrying the first petition of Fifty Million Americans to Repeal the Civil Rights Act.

Andy started in Richmond at 4 PM and ran all through the night and most of the next day, arriving at the Monument at 4:20 PM for a total time of 24 hours and 20 minutes.

Before the run, Andy had been in a fight and thought he had bruised his hand. During the run, he hemoraged under the skin, but kept going, hour after hour. Taken to the hospital after the run, he found that his hand had been BROKEN and it is now in a cast.

The Jews, brutally determined not to let America know of this fantastic physical feat by a Nazi, clamp on the tightest news blackout we have ever experienced. One paper even tried to imply that it was all a fake! So we are gathering statements from the hundreds of Virginians who cheered Andy as he ran through dozens of cities and towns, and will make that paper eat its words.

Can you just IMAGINE the way the press would carry on if a NIGGER had run 110 miles to Washington! But a WHITE man does it and it is ignored or called a "fake"!

Nazi Interrupts U.S. Senate...

"A SIGN OF THE TIMES"

...Remarks Sen. Stennis

The day before the Civil Rights Bill was passed in the United States Senate, Stormtrooper Jerry Cochran stood up in the Senate gallery and shouted to the Senators, "The politicians have betrayed the White majority! Only Rockwell can save us now!"

Senator Stennis of Mississippi who was giving a speech at the time, stopped speaking as Cochran began shouting. After police grabbed Jerry, who was waving an American Nazi Swastika banner, Senator Stennis continued his speech and referred to the American Nazi demonstration as "a sign of the times".

Cochran was sent to D. C. General Hospital for psychiatric observation and released five days later when tests proved he was not insane.

Nazi Interrupts Senate Speech

A swastika-waving member of the American Nazi Party was ejected from the Senate Gallery yesterday after interrupting a civil rights speech by Sen. John Stennis (D-Miss.) to shout his support of "white supremacy."

Jerry Lester Cochran, 18, who said he lives at the Party barracks, 6150 Wilson blvd., Arlington, was questioned by police at the Capitol, then taken to D.C. General Hospital for mental observation, Capt. James Powell said.

Cochran pulled a swastika armband from a pocket as Stennis began a speech against the rights bill at 1 p.m., but was hustled away in seconds.

U.S. Nazis Ready For HOT SUMMER

Summer activity at National Headquarters has gotten off to a good start. Dozens of race-mixing demonstrations have been counter-picketed by sharply-uniformed Stormtroops. Most significant counter-demonstration was held at the White House when dozens of CORE members put on a "vigil" for Mississippi "rights" workers. Our men chanted slogans at the top of their lungs virtually drowning out the CORE people who were singing "We Shall Overcome".

Some very good news and a new bold attack on race-mixing will shortly come from our Chicago unit. New York is keeping quiet for the present while leaders take up training in Arlington. New York continues, however, to carry on the fight

We Stood Alone

For 57 long days and nights, the Party maintained a constant vigil at the Lincoln Memorial in opposition to the so-called "Civil Rights Bill".

We stood alone. Of all the countless right-wing groups in America, we were the only ones who put up a stand opposing the race-mixers.

White men from all over our nation came down and stood duty at the vigil. They met and spoke to thousands of Americans from all walks of life and handed out untold thousands of pieces of literature.

Through rain and shine, hot days and cold nights, our boys stood out there proud and unafraid. If it were not for the American Nazi Party, there would have been NO ONE out there to stand up for the White majority.

Here are the names, ages and home towns of the American boys who stood up for you:

WESTERN DIVISION REPORT

A SUMMARY OF REPORTS FROM

CAPT. RALPH FORBES

Western Division Leader
American Nazi Party

Increased Nazi activity on the West Coast, for almost three weeks now, has had some L.A. papers describing ANP feats in 48-point red banner headlines.

As the Reds and race-mixers have raised their heads West Coast Party members have consistently taken counter-action. For instance, Acting Lieutenant Robert Giles recently picketed single-handedly against Ken Taylor, the nigger Communist candidate for county supervisor. Giles was carrying an American flag and dragging a Soviet flag, when one nigger attacked him with a lead pipe. Taylor's secretary then came out and ripped the U. S. flag to shreds!

There has been a tremendous upsurge of interest in the Party as the most relentless champion of the White American majority. Opinion polls indicate that on at least three separate occasions during recent months, community reaction to ANP anti-integration pickets has been 83–89% in favor of the Nazi demonstrators, with 3-5% undecided!

The effect on local CORE has been literally shattering. Fighting Nazi Stormtroopers have forced them to cancel dozens of demonstrations--even in Jew and Negro districts!

Under the direction of Capt. Ralph P. Forbes, a solid base of operations has been established in the greater Los Angeles area, enabling the Party's Western Division to expand into other areas. Just recently, the Party organized a unit in the San Francisco Bay area, with Charles McElroy in charge of this new Nazi beachhead.

Creation of the San Francisco Bay Unit followed an earlier appearance by Capt. Forbes at the University of California in Berkeley, where he addressed an overflow crowd of 6,000 students.

BERKELEY (AP) — Guarded by 80 police and muscular football players, a self-styled captain of the American Nazi Party from Glendale was whisked in and out of Harmon Gymnasium at the University of California Friday.

In the gym, jammed with 6,000 students while 2,000 more were outside, 24-year-old Ralph Forbes spoke without incident.

The he said he was leaving to join a demonstration by the Congress of Racial Equality before a Bank of America branch in San Francisco over hiring practices.

Forbes, speaking at the invitation of an organization called SLATE, said:

"When race wars come, which they will, the people will be looking not for a Goldwater, a Robert Welch but an American Nazi Party."

The football players helped police form a human corridor for Forbes on his way from his car to the gym and back again.

STORM To Hit Campus?

A group of 15-20 students wants to form an on-campus group called STORM — Society to Oppose Race Mixing.

The nucleus of the group "should expand once recognized," according to Clyde Irwin, University student and the campus contact for American Nazi Party leader Ralph Forbes.

"We propose to make an organization that makes the John Birch society look like a Communist cell," Irwin said. "The organization doesn't propose anything but speakers."

Irwin said the projected organization would like to bring speakers who represent "the majority point of view that is hardly ever expressed on campus." This includes the publishers of pamphlets entitled "Time Is Running Out on the Whites" and "Jew-Communists Behind Race Mixing."

"We'd also like to bring an Arab on campus to discuss Israel and white representatives from South Rhodesia and South Africa," Irwin said.

He said whatever the organization does will be strictly legal. Most campaigns like this are nonviolent, he added.

HATE-NANNY

Featuring

ODIS

AND HIS GUITAR

On a warm Sunday afternoon, 400 people gathered at the open-air Sylvan Theater on the Washington Monument grounds to see and hear the world's first "HATE-NANNY"!

Featured singer was Odis Cochran and his guitar. Odis sang and played WHITE folk-songs. The crowd went wild over "Ship Those Niggers Back!" and Bye, Bye Blackbirds!"

Harmonizing more anti-integration songs were "The Three Bigots", whose musical prejudice and hate will soon be published by the Party.

Odis is the up-and-coming folk-singer of the Right-wing. One of his ambitions is to challenge Pete Seeger, the left-wing singing hero of the peace-creeps and race-mixers, to a singing "debate" with Odis representing White Civilization and Seeger representing the reds and blacks.

Right-wing Runs; Nazis Stand & Fight

A perfect, -and tragic -example of why the "right-wing" keeps losing year after year was provided on July 5, at the Washington Monument in the Nation's Capital.

After almost six years of desperate battling, Commander Rockwell succeeded in getting a permit to hold a White, Christian rally on the most desireable rally site in America, the Washington Monument grounds!

Hearing of plans by an Atlanta group to hold a "March" on Washington, the Commander offered the use of his hard-won permit to the group in the interest of WHITE UNITY!

The offer was accepted, and we did everything to help the Atlanta patriots, making all arrangements and doing all the work, signs, banners-hours and hours of hard work.

Then, on the very DAY of the rally, after we had submitted to the Department of the Interior our list of speakers, ---all our guests, --these people not only deserted but denounced us in the press! Rules on the Monument grounds forbid any speakers but those on the list, so that we had to improvise FOUR HOURS of rally in the middle of the program itself!

Lt. Patler, not on the list, had to make a one hour "announcement", and his smashing success, under impossible conditions is testimony of the victorious NAZI WILL!

There was no violence, no mass "round-up" by Bobby or any of the other boogie-men used by so many of our friends to miss this terrific opportunity to SMASH the Jews such a blow as they have never felt.

Instead, the Jews had a ball describing the utterly ridiculous FLOP of one more attempt at right-wing "unity". When will we ever LEARN?

DON'T BREAK THE LAW!

Continued from P.9

(2) Always be polite and courteous to policemen and police officials. We have found time and again that most law officials agree with our aims, but nevertheless, they must remain neutral and enforce the law. It is their job to uphold the law no matter how much they themselves may hate a particular law or how much they may agree with you.

(3) Never fight the police. The police can make it hard on you if you make wise cracks or act smart and defiant.

(4) You do not have to answer questions asked of you by the police. Keep your lips sealed and ask to make a phone call. Tell them you wan to consult with a lawyer or party official or relative. Give the police your name and any other information unrelated to whatever reason you were arrested. And remember, ALWAYS CONDUCT YOURSELF IN A PROFESSIONAL MANNER. BE POLITE AND BE COURTEOUS--WE ARE NOT CROOKS, WISE-GUYS OR HOODLUMS. ● ●

KILL THE WHITE MAN!

Continued from P.4

At the moment, two great armies are massing on earth. They are the White and non-White armies. Their uniform is the color of their skin. That, and that alone will be the factor by which the two will distinguish friend and foe. No longer can the White people enjoy the suicidal luxury of dividing themselves by reason of nationalism, religion or politics. Either we stand together in unity as White men or fall separately as "Yankees", "Rebels", "Catholics", "Protestants", "Democrats", "Republicans", etc. The Black army does not recognize the above differences between White men. He sees not a "Democrat" or a "Republican", not a "Catholic" or a "Protestant"--he sees ONLY White men! ● ●

COMMANDER Continued from P. 3

nowhere at the head table, took over proceedings, informed the raging coons that they would all have to return to Africa, slung handfuls of "boat tickets" (one-way to Africa) at the delegates, and referred to them in most derogatory terms.

Thousands of hysterical Blacks charged at the White Race's lone hero up there defying them. Fighting like a tiger, Captain Lloyd was swept toward the edge of a balcony where the niggers were preparing to throw him over, when the police arrived. He was dragged to jail by police, escaping serious injury or death only by a hair's breadth.

At the height of the bedlam, somebody dropped a few dozen mice in the midst of the milling coons. A woman shrieked and tore out of the hall and down the stairs screaming. Some coons fainted.

The very next night, at the final and biggest session of the NAACP convention, Nazi Stormtrooper Jerry Lynne, all done up in black-face and wearing a cannibal tall silk hat, marched into the main lobby of the Statler-Hilton Hotel, through hundreds of astounded citizens and NAACP delegates, and charged up the stairs to the mezzanine and at the doors to the main ballroom where the NAACP session was in progress. Six giant black bodyguards attempted to hold him back. Stormtrooper Lynne thrust them aside with the remark "You're not going to stop anybody"--and they didn't. Standing inside the doors, the ultimate insult to any nigger in black-face and the tall hat, Stormtrooper Lynne gave them the coup de grace.

"Ah's your Uncle Remus", he hollered, "and Ah's come to take you niggers back to Africa!

Dear Commander:

Although we are located on a campus largely controled by Jews and liberal thoughts there is a growing interest in the Nazi Party.

I am a grad student in the natural sciences and I shall send you more information on the Jewish control and manipulation of the biological sciences, social "sciences", psychology, etc I have an Arab grad student friend that will send in a report on the Jewish propaganda in the life sciences and micro-biology.

The Jews are getting worried on campus because we have put the pressure on the integration propaganda We have forced the campus politicians to give a speaker on the segregation side next year We wanted to get you but the Jew running the lecture program flatly refused. I think we will try to get Dr. George or Mr. Putnam instead.

Dear Sirs:

I am a student at Frederick Military Academy in Portsmouth, Virginia. I am doing post-graduate work here with the intention of going on to the University of Virginia in September The reason that I am attending public school at present is that my old high school has been integrated by a filthy bunch of race-mixers. Several of my friends are attending Frederick for the same reason.

I learned about your new movement last year when I attended a lecture that you gave at the City Hall in Richmond. We here are sincerely interested in your organization and would appreciate any information that you could forward to us on your Party.

We sincerely believe that to save our free, White, Christian America is to fight for these rights.

We realize that alone there is little we can accomplish but with the help of the American Nazi Party there is a chance that we may help preserve the rights that our White forefathers fought for.

Your vigil at the Lincoln Memorial came to our attention a week or so ago in the local newspaper. Demonstrations of this type are always welcome and couldn't occur often enough. We hope you will continue to win over such able and dedicated men as those who are by your side now helping you to complete your mission.

In Adolf Hitler's last days he predicted "the seed of a radiant renaissance of the National Socialist movement will spring up from the ashes

of Germany". You and your men are that seed and you are growing.

Only you can save what is left of our great nation. Only you can kindle in the hearts of men the national pride and patriotism that has all but flickered out. Only you can show the American people the way, the truth, and the life!

Enclosed is $1.25 for a one-year subscription to the Stormtrooper.

This will be my second year with the Stormtrooper, which I find to be the most informative and exciting magazine in America.

SHOCKED AT FIRST

Dear Sir:

Recently, while at a friend's home, I came across some of your materials. My initial reaction was that of shock. I wondered what he was doing with material from "those nuts".

However, I read them. After a while I realized that you people weren't nuts. But, however, you really made a great deal of sense.

I would appreciate being sent any material which I can have. I would feel honored to receive it.

PROUD NAZI

Dear Commander Rockwell:

I want to write you this letter telling you how wonderful I think your work is.

I have read your book "This Time the World" and it sounds like a synopsis of my thoughts and beliefs.

I have stated to my parents how I feel about the niggers and the Jews and for this they've called me a "bigot", a "Nazi" and several other names. I take being called a "Nazi" a compliment because in my heart and beliefs I am one.

I believe in the near future America will look to you to lead it back to being the great country it once was. I firmly believe in your destiny.

Continued from P. 28

Stormtrooper Lynne was overwhelmed and crushed under raging niggers and finally rescued by police who dragged him off to the cell block.

A lot of good right-wingers often ask me what is the point of these desperate and usually dangerous escapades? What is the purpose? What do we hope to gain? How does this help to stop race-mixing, Communism and treason? Why do I allow my unbelievably courageous young men to risk their lives and liberties in such activity?

The answer is based on a scientific fact of history.

First, it is high time that the right wing quit the endless talking and writing and DID SOMETHING! We don't believe in or countenance illegal activities. But these same activities when used against us, have been ruled, time and again as legitimate "heckling". In any case, they thoroughly impress the enemy with the fact that we mean business and every time they stick up their ugly black burr heads, there will be a Nazi there to "greet" them.

But, more important, these activities are also designed to give our people HOPE and LEADERSHIP!

When an army is defeated, disorganized and retreating--as the White Man is currently on the run--it takes acts of the utmost heroism and leadership by individual heroes to get them to stop running, turn around and FIGHT!

All of this is leading up to the most important reason of all for our continual "guerilla" political attacks upon our enemies even at the cost of beatings and jail.

On that black and bloody day only a few years hence, when the Communists and niggers strike with their open revolution, it will be too late to create rallying points for the disorganized masses of White people. Even the Minutemen with their weapons will be helpless to RALLY the people. Their weapons and their training will be valuable, but only if we can succeed in ORGANIZING the millions and millions of White Christian Americans who won't know which way to turn, where to go, what to do, or WHO TO FOLLOW.

History shows again and again that when the Communists have struck with their revolution, the people must already have leaders whose names have become household words.

THE ONLY POSSIBLE WAY TO BUILD UP LEADERS THE PEOPLE CAN AND WILL FOLLOW IN TIMES OF NATIONAL CATASTROPHE IS FOR THE FUTURE LEADERS TO MAKE HEROIC ATTACKS AGAIN AND AGAIN ON THE ENEMY IN THE DAYS BEFORE REVOLUTION STRIKES AND TO BE BRUTALLY PERSECUTED FOR THEIR HEROISM AND COURAGE!

We can learn even from a despicable enemy like Jomo Kenyatta, the Mau Mau leader. The only reason he was able to seize national leadership when the British pulled out was because of his years and years of desperate and fanatic attacks and consequent jailings in the years previous. All the Blacks of Kenya came to know of him. His name became the rallying point of anti-British resistance. So it has been with every

populace which has successfully arisen against minority tyranny such as now terrorizes America's White Christian majority.

In the bloody days of revolution, which I believe will strike after an economic catastrophe in 1968-69 or 70, there will be no time for fighting leaders to become nationally famous enough to serve as rallying points for a confused and retreating populace.

We must burn into the minds of America's White Christian millions the names of the heroic young fighting leaders who will be ready to organize the masses in those desperate days and COUNTER-ATTACK!

We must give the masses an image of death-defying, fanatical and flaming heroism NOW--and keep it up, year after year, until the masses AUTOMATICALLY, as a conditioned reflex, think of the names of the American Nazi leaders and the American Nazi Party whenever they think of all-out opposition to Communist Jews, niggers and all the rottenness in Washington.

Because of the lack of understanding of most right-wing patriots, we are still so poor that we cannot yet reach out to strike everywhere in the U.S.A., as we do here in our own area, in California and Chicago, where we are strong. But the time is not far off when EVERY Jew Communist-nigger meeting involving treason or riot and insurrection will have to reckon with a task force of daring young Stormtroopers.

Today we are armed with boat tickets, black-face, mice and the weapons of ridicule.

But the young men with the flaming courage to perform these deeds of single heroism wait only for the day when our beloved U.S.A. is attacked with violent and bloody revolution.

Our Officers and Stormtroopers are trained and ready with the same leadership and heroism--armed with a very different kind of weapons. ● ●
